Take the right steps to protect young lives

Daycare providers are required to have first aid training to ensure the wellbeing of the children in their care. NSC training offers the skills needed to respond to everything from minor bumps and bruises to life-threatening emergencies.

Participants Learn How To:

✔ Take action in a medical emergency

✔ Provide basic life support

✔ Treat bleeding and wound care

✔ Treat shock, burns and poisoning

✔ Deal with a sudden illness

✔ Respond in cold and heat emergencies

✔ Ensure safety for children with disabilities

We never charge processing fees for the nationally recognized NSC Course Completion Card - which can be used to meet regulatory requirements.
